Mr. Moore then reported that he had seen the college authorities about getting hot water in the sections at certain times during the day and that they had informed him that at present they were unable to furnish it.

On motion the meeting adjourned.

33 Jarvis Hall, May 31, 1912.

Meeting called to order by President Bird at 12.50. Messrs. Wessels, Flanagan, L'Heureux, Whipple and Fairbanks absent. The following men were then nominated: for president of the Athletic Association, C. H. Collett; for assistant baseball manager, Kyle, T. C. Brown, Pressey, Hodge, Slee, Bissell and Squire; for assistant track manager, Pollock, Young, Dorwart and Hill.

On motion the meeting adjourned.

WM. B. SPOFFORD, Secretary.

SUNDAY SERVICE.

Bishop Brewster Preaches Sermon on Faith.

The Rt. Rev. Chauncey Bunce Brewster, bishop of Connecticut, was the preacher at the Sunday chapel service. Bishop Brewster's text was "All things are possible to him that believeth", and faith was his topic. After an exposition of the small effect of heredity and environment on a man's character and the independence of character on the man himself, he made a strong plea for Christian belief of the sort which shows itself in Christian action.

At this service an offering amounting to \$9.70 was taken up for contribution to the Chinese famine relief fund.

Maxon, '11, Coming to Hartford.

Maxon, '11, has written to Captain Wessels of the track team, saying that he will be in Hartford Wednesday afternoon, and wants to practice pole-vaulting with Wessels on Trinity Field, in preparation for the Olympic trials. Maxon broke the New England record last spring by a vault of 12 ft. ½ in., and has been doing even better in practice since, so it will be worth while to watch the vaulting Wednesday.

A. A. Meeting.

There will be a meeting of the Athletic Association, Friday June 7, at 6.45 p.m., for the purpose of electing members of the Graduate Advisory Committee, officers of the Association, and managers and assistant managers of the track team and baseball team.

TRINITY 7, N. Y. U. 1.

Bleecker Knocks Home Run in the Ninth—Brings in Two Men.

Trinity "came back" on Saturday and defeated N. Y. U. in New York by a score of 7 to 1. Few errors were scored against either team, but Trinity found the New York pitcher in the fourth inning, and had little difficulty in running up nine hits and seven runs. Bleecker pitched a steady game, and allowed only four scattered hits. On the whole, the team played better ball than they have done at any time this season. Bleecker distinguished himself by knocking out a home run in the ninth with two men on bases, and then striking out the N. Y. U. batters in one, two, three order. The other feature of the game was Howell's catch of a long and difficult fly to center field.

In the first inning Trinity did not get a man to first, Murray and McCue striking out, and L'Heureux sending a fly to center. Hennyberger for N.Y.U. was hit by Bleecker, with two men out, but remained at first, as Brennan flied to center field. In the second, Gildersleeve scored a single, but was caught stealing second. N. Y. U.'s batters failed to reach first. In the third, Howell got a hit, Shelley reached first on an error, but was caught at second when Sporer sent a grounder to short. Howell was caught at third, and Murray flied to right field, retiring the side. N. Y. U. again failed to arrive at the first bag.

Trinity's first score came in the fourth. McCue was passed and advanced on L'Heureux's hit. Bleecker bunted, and reached first on an error by the first baseman, filling the bases. Gildersleeve put a hot grounder through second, scoring McCue and L'Heureux. Vizner sacrificed, and scored Bleecker, but Gildersleeve was left on base, making a total of three runs.

N. Y. U. also showed signs of being dangerous in the fourth, as Lynch was passed, Henneyberger scored a hit and Brennan was hit, filling the bases. Wolff sent a grounder to third, forcing Brennan who was caught at second, while Wolff reached first. With men on second and third, Lynch was caught stealing third, and McNathy sent a short fly to Gildersleeve, retiring the side. Score, Trinity 3, N. Y. U. 0.

Linnett held the Trinity batters down in the fifth, and did not allow them to see first. Hamilton, first man up for N. Y. U., singled, but was put out at second, allowing Ahnermann to reach first on pitcher's choice. Linnett struck out, but Nixon sent Ahnermann over the plate with a pretty single, scoring N. Y. U.'s only run. Nixon was left on base, as Lynch grounded to Murray. Score, Trinity 3, N. Y. U. 1.

In the sixth and seventh neither side got past second. In the eighth, with two men out for Trinity, Linnett passed three in succession, filling the bases. He pulled himself out of the hole, however, by only allowing Sporer to send a grounder to third. N. Y. U. again failed to score.

REVIEW OF TRACK SEASON.

Two College Records Broken. Hudson Largest Point Winner.

The meet with Union a week ago Saturday ended the track season for 1912. During the spring Trinity entered one triangular meet, and two dual meets, besides sending representatives to the New England Intercollegiates at Springfield. The results of the various meets were as follows:

April 27—Triangular Meet with Brown and Worcester. Brown 89, Worcester 22, Trinity 15.

May 4—Wesleyan 68, Trinity 58.

May 25—Union 62, Trinity 55.

In spite of the fact that Trinity did not win any of these meets, the work of the team as a whole has improved greatly since last spring, and prospects are good for next year. The Wesleyan and Union meets were both close, and especially in the latter the issue of the meet rested on a difference of a fraction of a second in some events. The triangular meet came before the team had much chance to practice, and Brown's splendid team was rather difficult to cope with.

In the New England Intercollegiates Captain Wessels qualified in the pole vault, and Wessels, '14, in the half. In the finals Wessels tied for second in the pole vault by a vault of 11 ft. 6 in.

Two college records were broken this year, both in the Union meet. Hudson threw the hammer 137 feet. 9 in., raising his own record made earlier in the season, and Crehore showed his real form in the mile, covering the distance in 4.40, four seconds better than the old record.

Hudson has been the largest individual point winner, scoring 40 points out of a total of 130½. In various meets he has placed in the hammer, shot, discus, broad jump, low and high hurdles. A steady improvement has been apparent, especially in the hammer and broad jump, and he should be a star man in these events next year.

Captain Wessels comes next in number of points, having won the pole vault in every meet. Though he graduates next year, Steven, '14, should develop into a good man. D.S. Pulford, who made a good showing last year, has unfortunately been prevented from entering meets this year by illness.

Next in order come Sage, Furnivall, T. Wessels, Hall, and Crehore, all of whom will be back next year. All these men did good work in the meets and show good prospects for improvement. Besides, there are many others who are good material, though they did not succeed in scoring a large number of points this year.

Several men earned their "T's" in track this spring, who had not done so in previous years. The new wearers of the "T" are: Craik, Holcomb, Sage, and Furnivall.

SENATE ELECTIONS.

Spofford and Stites Chosen for Coming Year.

At a meeting of the Sophomore class held Wednesday noon, it was unanimously voted that William B. Spofford of Claremont, N. H., continue his seat in the college Senate as the representative of the class. Spofford, during the past year, has been senator from the class of 1914, and from the Psi Upsilon fraternity, and has served the Senate in the capacity of secretary. He is also a member of the track team, the glee club, and of the Sophomore Dining Club.

The freshman class, during a meeting held Friday, elected Francis B. Stites, of Louisville, Ky., to represent the interests of 1915 in the Senate during the coming year. Stites has been a candidate for the baseball team, and is a member of St. Anthony Hall.

The senators from the different fraternities and from the neutral body must be elected before the tenth of this month. To quote the Senate constitution:

"The man elected by the fraternities and by the neutral body must be chosen before the tenth of June. * * * The names of the representatives chosen by each electing body must be sent in writing to the secretary of the Senate within three days after the specified time of election. Failure to comply with this section shall cause the delinquent body to forfeit its member."

INTERCOLLEGIATE TENNIS.

Trinity Representatives Lose in Second Round.

A. E. Pulford and C. Carpenter, who entered the New England Intercollegiate tennis tournament in Boston the first of this week, won their first sets but were defeated the next day. The winner of the tournament was Johnson of Amherst.

The scores were:

Carpenter (T) defeated Brigham (M.I.T.) 7-5, 6-1.
Pulford (T) defeated Beckman (M.I.T.) 6-4, 6-3.
Conger (Williams) defeated Pulford (T) 3-6, 6-4, 6-3.
Miller (Amherst) defeated Carpenter (T) 6-1, 4-6, 6-2.

Freshman Rules

At a meeting Friday noon the class of 1915 adopted the freshman rules for next year.

The committee on rules is as follows: F. B. Stites, chairman, Newell Sage, Charles Boehm, Howard R. Hill, Theodore Kyle, Walcott Chapin, James P. Murray, John Vizner and A. L. Smith.

These rules have not been confirmed by the senate yet, but as they now stand they are the same as those of 1914, except for a few additions, which are as follows: freshmen must not appear in the first two rows of any theater and the first four rows at Poli's Theater; freshmen must walk on the college walk when going to and from classes; freshmen must give up their seats in street cars to upper classmen.

"NOW THEN, TRINITY."

The annual elections of the athletic association will be held Friday evening. The *Tripod* takes this opportunity of saying a word with regard to the matter which is much talked of among the fellows but which seems not much nearer actual reform than ever.

It has been the custom for the various crowds in college to send men out for the several managerships and to put up candidates for offices and then to vote for these men irrespective of their merits. It is of course natural for men to think one whom they know well to be more deserving than another with whom they are less thoroughly acquainted. This, however, is likely to degenerate into a simple fight for honors, with a consequent forgetfulness of fitness for office or earnestness of purpose. The object of this editorial is to protest against this subservice to crowd and to urge that, before any votes are cast, thoughtful consideration be given to the merits of the nominees and that the votes be cast accordingly.

Trinity's real batting rally came in the ninth. Murray was passed, and advanced to second by McCue's sacrifice. L'Heureux singled, and Bleeker knocked a home run, scoring Murray and L'Heureux. St. Anthony's Hall and Alpha Delta
Phi Each Take a Game.

In a fast game last Wednesday morning, the St. Anthony Hall baseball team defeated the Delta Kappa Epsilon nine by the score of 3 to 1. Both teams put up a good brand of ball, the playing being fast and snappy throughout.

The fine pitching of Thomas was largely responsible for St. Anthony Hall's victory. "Bob" struck out nine men and allowed the "Dekes" only four hits. McClure pitched splendid ball also, allowing only two hits.

The score:

The Alpha Delta Phi baseball team defeated that representing the Neutral Body, by the score of 8 to 2, in a one-sided game, Monday morning. The chief factor in the Neutrals' downfall was the pitching of Farrow, who allowed but four hits and struck out fourteen men. Beardsley also pitched fine ball, allowing only five hits, but received wretched support, his team-mates making ten errors. In addition to his good work in the box, Beardsley made two out of the Neutrals four hits. Deppen and C. Withington shone in the field for the A. D.'s, while the one bright feature of the Neutrals' fielding was the fast work of Captain Clark at third.

The score:

President in Portland.

President Luther and the Rev. S. H. Little, '95, were the principal speakers at the Maine Church club banquet in Portland on May 22. The following account is quoted from the *Churchman*. "President Luther had for his subject: 'The Church and the Public Schools'. Only recently, he said, had the idea become prevalent that everybody must go to school. He expected to see the age for compulsory school attendance advanced from fourteen to fifteen or sixteen, and he hoped the time would come when for all children a high school course would also be required. 'The day of the self-made man is done in our country.' He believed in the democracy of the public schools. There all classes showed what they were, and he pleaded for more interest and sympathy on the part of the Church in this great undertaking. The Rev. S. H. Little, who followed, spoke of the new Chinese republic, and the opportunities now open to the Church in China. At the annual meeting, which was held before the banquet, Mr. Charles B. Clarke, of St. Luke's, Portland, was chosen president for the coming year."

RAIN STOPS GAME.

Third Wesleyan Contest Ends Before
Close of Second Inning.

Rain broke up the third Wesleyan-Trinity game Thursday before the second inning had been completed, the score being 3 to 2 in favor of Trinity when the contest was stopped. At that time, however, Wesleyan had a man on third with none out and their chances of at least tying the score were good. Winchester was pitching for Wesleyan while Bleeker was doing the twirling for Trinity. Trinity started with a rush and scored three times in the first inning. Murray beat out a slow roller to Pickles, who was playing second. McCue was hit by a pitched ball. L'Heureux laid a bunt down the first base line and Winchester failed to cover the bag, all hands being safe. Bleeker's hit to center scored two, the runner taking second on the throw in, and Gilder-sleeve's hit scored the third. Wesleyan made an auspicious opening when Diamond singled to center, but he was forced at second by Wright. Campbell tripled and scored on Durling's hit. This ended the score. Trinity could not make any headway in the second. When Wesleyan came to bat it was raining heavily. Holden drove a long triple to center and at this point Umpire Lawton called the game. As Wesleyan won the other Trinity games this year, the series resulted in a clean sweep for the Cardinal and Black.

Velvet

THE
SMOOTHEST
TOBACCO

FOR the man chasing the pill, uphill,
down hill, in the sandy bunkers,
Velvet is mild and smooth and pleasing.
Velvet—selected leaf—two years in the
warehouse undergoing a change which
eliminates the harshness of the leaf. A
mellowness rarely attained—a smooth-
ness you should know all about.

No sir Impossible to bite or irritate
—one smoke as cool and sweet as
another—smoke it for 54 holes if you
like—always agreeable.
